

PARTNERING WITH BABBASA

EMPOWERING BRISTOL'S NEXT GENERATION

Babbasa is an award-winning community organisation supporting young people aged 16–25 from ethnically diverse and low income households in Bristol. We help them gain the confidence, skills, and networks to succeed in employment, education, or entrepreneurship.

Partnering with Babbasa delivers mutual value:

Tackle Inequality – Meet social value goals and support local priorities by:

- Donating to our youth empowerment programme
- Sponsoring our activities or events
- Fundraising and/or nominating Babbasa as your 'Charity of the Year'

Exchange Knowledge – Provide mentoring, work experience, or insights; your team gains fresh perspectives, leadership skills, and community connection.

Access Talent & Insights – Tap into our pool of work-ready young people and inclusion expertise to build a workplace where everyone belongs.

Strengthen Your Brand – Celebrate our partnership, amplify impact stories, and showcase your commitment to inclusion and social mobility.

Together, we can unlock potential, build inclusive workplaces, and shape a fairer future for Bristol's young people.
